

COVID-19 UPDATE

In order to prevent the spread of COVID-19 and following the governor's stay-home order, that directs all non-critical businesses to temporarily close, our company has restricted some sales and deliveries until normal operations resume.

However, we understand that some landscaping and construction services and supply are still essential to public health and public safety. Please, reach out to our numbers for further details on how we are conducting our service in order to do this in the safest possible way or leave us your name and number and we'll contact you.

We wish our community the best of health during these difficult days.

STAY HOME.
STAY WELL.
Michigan.gov/StayWell

THANK YOU
*To Our Doctors, Nurses, First Responders,
and Public Safety Officers On The Front Lines*
